Live Author Event: Kelly Yang

We have more books! Browns Point has such a fantastic opportunity to work with author Kelly Yang with the release of her new book, *Finally Heard*, coming out on February 27th! For only \$17, families can purchase a copy of Kelly Yang's new book in hardback that will come with a signed bookplate. These will be delivered to the students who purchased them after the release on February 27th. There will be a collection day at school on the morning of February 2nd. Order forms have been sent home with students. Exact change or checks made out to Browns Point PTA, please. Don't miss your chance to have a signed copy of this amazing new book!

Lost and Found

The Lost and Found has grown significantly. All Lost and Found is currently on the stage. Any new items that are found will be put in the bins and not on the stage. If you see something that

looks familiar please come to the cafeteria to claim. We will be donating any items that are not claimed from the stage on February 1st.

MLK Community Service Projects

Thank you so much to everyone who helped make this year's MLK Community Service Project a success!!! Through your generous contributions we were able to donate 4 huge carts worth of stuff to the Tacoma Rescue Mission, we delivered over 150 beautiful handmade cards to 3 homes and we donated 100 birthday cake kits to Northeast Healthy Kids Coalition. We are so grateful for your support in helping others in our community.
