Books for Birthdays

Books for Birthdays is a PTA run program where families can help build our school's library! Last year we were able to grow our library by over 100 books and this year our goal is 200! You will know it is a B4B donation by opening the front of the book and finding the specialized nameplate of the child who donated it! If your child has a birthday in November and December, look for a letter in their backpack this week that explains this wonderful program and how you can participate. Thank you to everyone who participated last year!

Meeker Holiday Bazaar

Please join us on Saturday, December 2nd, 10am to 4pm for the MEEKER HOLIDAY BAZAAR! It's the perfect way to support local artists and local students! To celebrate our 21st Anniversary of this fabulous event, we'll have free candy canes for every shopper along with all your favorites - Raffle Baskets, Bake Sale, hot cocoa, festive holiday music, Santa's elves, and amazing arts, crafts, and creations of all kinds from 75 vendors. This event is presented by MCOW (Meeker Citizens of the World Student Exchange Program) and will help raise funds for our program. Come help us kick off the most wonderful time of the year! We hope to see you there! Have questions? Contact us at MeekerHolidayBazaar@gmail.com for more info.

Pacific Science Center Visit

We are looking for volunteers to help in the hands-on exhibit room when the Pacific Science Center comes to the school on December 11th and 12th. Classes will be coming in one at a time to learn more about space through exploration. Volunteers are needed to assist students. If you

would like to help out during one of the shifts, please sign up using the link: [Pacific Science Center Volunteers](#)
